To whom it may concern

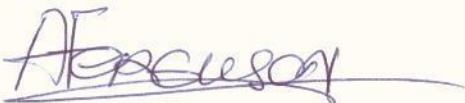

On behalf of European Bank for Reconstruction and Development for Caucasus, Moldova and Belarus, I would like to express my satisfaction with the products and services provided by Steelcase - Office Technologies.

EBRD works closely with Steelcase in many countries in ensuring our offices are equipped with the most modern and functional furnishings.

In May 2007, when EBRD Representative Office for Caucasus, Moldova and Belarus moved to new office premises Office Technologies provided space planning and quality furniture for its refurbishment. We could not be more pleased with the quality of work team of Office Technologies displayed.

I would recommend Steelcase products to anyone who is considering purchasing new office furniture and adhering technical support.

Respectfully,

Aldon Ferguson
