## **TO WHOM IT MAY CONCERN:**

On behalf of the Georgian Reconstruction and Development Company, I would like to express my satisfaction with the products and services provided by Steelcase-OfficeTechnologies.

Office Technologies provided office furniture to our company recently, when we moved into larger office space. Starting this period I believe that Office Technologies and GRDC will develop strong cooperation.

Especially, I would like to highlight the high level of technical and professional support that Steelcase has been providing of office furniture in GRDC premises.

I would like to strongly recommend Steelcase to anyone who is considering purchase and technical support of new office furniture.

Sincerely

Irakli Kilauridze  
Chief Executive Officer
